**We Handle Everything - You Get Your Guaranteed Amount**

---

## Your Challenge: Need to Sell But Can't Manage the Process

You're facing foreclosure with 30-90 days remaining, but you lack the time, energy, or expertise to manage a home sale. Between work, family stress, and the emotional weight of potentially losing your home, coordinating showings, evaluating offers, and managing a sale feels impossible.

**You need a solution that guarantees results without requiring your constant involvement.**

**The Concierge Sale difference:** We agree on your guaranteed proceeds upfront, then handle every aspect of selling your property professionally while you focus on your family's transition.

---

## How Concierge Sale Works

### The Simple Agreement

**We establish three things upfront:**

2. **Property condition requirements** - Vacancy and cleaning standards for closing
3. **Timeline expectations** - When closing will occur and proceeds distributed

**Your protection:** Once we agree on your amount, that's what you receive - no matter what complications arise, how long marketing takes, or what final sale price we achieve.
